(5) Questionnaire 1: Socio-economic, Guidance (En)

v 1, May 2004

On specific variables:

Socio-economic questionnaire ID no. – This is a running series of numbers, cumulatively added and continued between villages. To be added in the project office at the end of each day of data collection (and NOT in the field). Use leading zeros and digits. This ID no. (which is unique for each interviewed household), will be added to Questionnaire 3 “Resource use” used for a particular household.
